## FAMOUS BELMONT IS ONE OF BUSY PLACES TONOPAH DISTRICT

Tonopah Belmont Development company continues to produce its full quota of ore and the mills are being operated to the satisfaction of the management. The big mill is crowding through a heavy tonnage of splendid milling ore from the main workings of the mine, as well as treating a considerable tonnage of custom ore. At the sweeps mill on an average of about 40 tons of sweeps are being handled daily, and it is expected to make the final cleanup for the present season within the next couple of weeks.

Large development is going forward on the 700, 800, 900, 1000, 1100, 1200 and 1300 levels, and large veins of milling ore are exposed throughout the various workings, especially on the 900, 1000 and 1300 levels.

The official report of the management for the week ending Friday, October 21, follows:

"700 Level—East drift 725, off northwest crosscut 702, 725 vein, 1 1/2 feet low-grade ore. East drift 729, off northwest crosscut 702, 729 vein, 1 1/2 feet low-grade ore. East drift 729, off east drift 729, 729 vein, 2 feet low-grade ore. Raise 28, off north crosscut 730, 729 vein, 1 foot low-grade ore.

"800 Level—Raise 51, off west crosscut 847, prospecting for North vein. Raise 62, off slope 854, Shoe string vein, 1 foot low-grade ore. Raise 63, off slope 881, Rhyolite vein, stringers of fair ore. Raise 64, off southwest crosscut 848, prospecting for North vein. North crosscut 856, off west drift 843, prospecting for faulted segment of North vein. Southwest crosscut 847, off north crosscut 843, running for mineral patterns in footwall of North vein.

"900 Level—West drift 908, off west drift 908, Miscellaneous vein, 3 feet of good milling ore. West drift 908, off northeast crosscut 928, Miscellaneous vein, 2 feet of fair ore. Raise 76, off northwest crosscut 928, Miscellaneous vein, 2 feet of fair ore.

## PRODUCTION NORMAL AT WEST END MINE; BIG PROGRESS MADE

The same progressive campaign of development and ore extraction continued throughout the week ending this morning, September 22, at the properties of the West End Mining company, with a production of 1600 tons. Also during the week a shipment of bullion, consisting of 26 bars and weighing 53,500 ounces, with a value of \$61,000, was sent out to San Francisco by express, the result of the clean-up at the mill for the first 15-days of October.

It will be noted from the official report of operations for the week that there was much activity at both the West End and Ohio shafts, and that splendid results are forthcoming in various departments of the mine workings. Especially is this true at the Ohio shaft, where work

## STRIKE STARTS AT SAN ANTONIO AS 250 GO OUT

(By Associated Press.)  
SAN ANTONIO, Cal., Oct. 22.—Two hundred and fifty brakemen and switchmen of the International & Great Northern railroad San Antonio division, struck promptly at noon today.

(By Associated Press.)  
HOUSTON, Texas, Oct. 22.—Armed guards took up patrol duties at the I. & G. N. yards here at noon today as 150 trainmen members of the Brotherhood, abandoned work. The switching in the yards was at a standstill, but operating officials said all passenger train crews would be maintained. The places of the strikers being filled by new men.

E. G. Goforth, general manager of the road, stated as the men quit work that the road would handle no freight trains today, but would operate passenger service without interruption through the transfer of men from other departments and the use of employees who remain loyal to the road. Goforth stated also that there would be no operation of freight because the road did not purpose to hire strikebreakers.

(By Associated Press.)  
WASHINGTON, D. C., Oct. 22.—Instructions covering the course of action to be pursued by the federal authorities in Texas if the strike on the I. & G. N. was carried out, were in preparation at the department of justice today.

## OFFICIAL ASKS MEN FACE STRIKE SQUARELY

(By Associated Press.)  
LOS ANGELES, Cal., Oct. 22.—An appeal to all employees of the Atchafalaya, Topoka & Santa Fe to "look the strike situation squarely in the face," was telegraphed today from Chicago by W. R. Storey, president of the company, and was made public by local officers of the Santa Fe system. "If the strike comes we must meet it," was the concluding line of the message.

The Southern Pacific today began marking bills of lading "subject to delay" here because of the threatened strike of the railroad workers. The phrase applied to rail freight including perishables and livestock, and was to take effect on main lines and all connecting lines, it was announced.

## DEMONSTRATION IS ORDERED STOPPED

(By Associated Press.)  
PARIS, Oct. 22.—The French government has prohibited the proposed communist demonstration tomorrow outside the American embassy. It was reported the communists would attempt to hold a demonstration anyway.

The government's decision was reached at a cabinet council meeting presided over by President Millerand.

## PRESIDENT TAYLOR IN FROM MERGER WELL

Charles W. Taylor, president and general manager of the Fish Lake Merger Oil company, arrived in Tonopah last night from the seat of operations, and announced the well had attained a depth of 907 feet. A softer formation has been encountered and the big drill is eating its way deeper into the earth with apparent ease.

## BROWN BUYS INTEREST OF CLIFFORD IN TONOPAH CLUB

M. H. Clifford this morning sold his interest in the Tonopah Club to Charles Brown, who has long been connected with the Desert Club, and the firm hereafter will be known as Abelman & Brown. Mr. Clifford expects to leave within a week for Havana, Cuba, where he expects to engage in business.

The necessary timbering having been completed. Regular stopping operations were carried on and ore tonnage was 1600 tons, grade being normal and satisfactory.

## SWEEPING DOWNWARD REDUCTION IS ASSURED

(By Associated Press.)  
WASHINGTON, D. C., Oct. 22.—In a sweeping decision involving the entire railroad situation, wage scales, layoff in industry and business, the Interstate Commerce commission ordered freight rates on grain and other products and hay throughout the western half of the United States reduced by an average of approximately 16 per cent. Notice was given the carriers that the commission expected the reductions to be put into effect immediately and by November 20 at the latest, and that he now state of railroad earnings, which led to the increase in 1920, could be justified by the reduction in wages and prices.

(By Associated Press.)  
NEW YORK, Oct. 22.—A reduction of \$7 a ton in the price of standard steel was announced today by the United States Steel Corporation. The new price is \$49.

## WILL WORK AWAITING ACTION OF UNCLE SAM

(By Associated Press.)  
CHICAGO, Ill., Oct. 22.—One-fourth of the railroad workers of America—600,000 members of the Federated Ship Crafters today went on record as against a strike, and voted to remain at work pending a decision by the United States railroad labor board in the rules and working conditions of the case. This decision lent the most serious blow yet recorded against the four brotherhoods and Switchmen's union, which have ordered a walk-out on October 30. The shop crafters, known as the railway employees department of the American Federation of Labor, in all to compel more railroad workers than any individual union. Their action also was declared to bind the American Federation of Labor against any active support of the railroad walk-out.

## U. S. TROOPS ORDERED TO LEAVE GERMANY

(By Associated Press.)  
WASHINGTON, D. C., Oct. 22.—Gradual withdrawal of American troops from Germany, expected to start within two weeks, will involve a reduction of the American forces there to about half the present strength of 13,500 officers and men. The reduction will be accomplished by the middle of next March.

## HIGH SCHOOL STUDENTS TO GIVE ENTERTAINMENT

The students of the high school are preparing for a Halloween entertainment to be given in the gymnasium of the high school on next Friday evening, October 28. Parents of all members of the high school will be invited to attend and the young people now are rehearsing for a Halloween play which will be followed by a dance.

## EX-EMPEROR IS AGAIN SEEKING REGAIN THRONE

(By Associated Press.)  
VIENNA, Austria, Oct. 22.—Former Emperor Charles of Austria-Hungary, arrived at Odenburg, Hungary, on Friday afternoon, in an airplane from Switzerland, according to an Odenburg message, and is reported to be proceeding toward Budapest, escorted by Oostenburg troops. A provisional government, the advisers state, has been formed in Hungary under Count János Andrássy, former Austro-Hungarian foreign minister.

The Oostenburg forces immediately went over to Cluj upon his arrival at Odenburg, and he was proclaimed king, according to the message.

Admiral Horthy, Hungarian regent, it was rumored, fled from Budapest this morning, following the news of the arrival of Charles in his former domain. The advisers state that a legitimate government has been formed there.

Allied representatives in Budapest made a joint protest to the Hungarian government against the return of Emperor Charles to Hungary. The protest was learned here.

## SETTLEMENT STATE BANK AGAIN PUT OFF

After the final closing of the "settlement" of the State Bank and Trust company was taken yesterday, a court order was issued for two reports by receiver Frank L. Wilkes when Judge F. P. Lannon in the clearing court ordered that Wilkes prepare his further compensation without further court order and that within 10 days the receiver file a statement showing the condition of his bond.

Following his orders Judge Lannon suggested to Attorney General J. R. Fowler and other attorneys in the case that they get together and make some method for the closing of the receivership. Whether sale of the defendant bank's property shall be private or public would be one of the matters to be settled, the judge said.

## SERVICE COMMISSION POSTPONES HEARING

The application of R. A. Lashley for a public conveyance permit, which was to have been heard in Tonopah on October 28 by the public service commission, has been postponed until Monday, November 14, at 1:30 p. m. This postponement was taken following the granting of the petition of the Tonopah Sewer & Drainage company for deferred action until that date. A similar order was issued in the application made by George T. Hyslop for a certificate of public convenience. In the matter of the State Bank & Trust company against the Tonopah Sewer & Drainage company, the hearing was consolidated with that of the latter company wherein a petition asking for an increase in rates will be heard on November 14 at 5 a. m.

## GEORGE ANDREW FUNERAL IS LARGELY ATTENDED

Many friends and members of both the Moose and Eagles lodges, at which deceased had been an honored member for a long time, attended the funeral services held yesterday afternoon at 4 o'clock over the remains of the late George Andrew, which were conducted from the undertaking parlors. Numerous floral offerings covered the casket showing the esteem in which the deceased had been held. Interment took place in the Eagles plot at the local cemetery.

## LARGE DEVELOPMENT AT THREE SHAFTS BY TONOPAH MINING CO.

The Tonopah Mining company is breaking all previous records of the past several months, both as regards amount of underground development and tonnage of ore extracted. The holdings of the corporation are the scene of great activity, as is evidenced by the fact that a total of 431 feet of underground work was accomplished during the week ending on Monday, October 17, distributed through three shafts, the Silver Top, Mizpah and Sand Grass. Tonnage was above normal through out the three workings, totaling 1300 tons, divided as follows: Silver Top, 550 tons; Mizpah, 550 tons; Sand Grass, 200 tons. In point of development we find that 1895 feet was performed on the Silver Top, 2065 feet on the Mizpah and 95 feet on the Sand Grass.

During the week a shipment of 23 tons of bullion was made by express, value not given, but it is believed to have been more than nominal. The big hauler trip at Silver Top is being operated on full time and in addition to treating ore from the company mines, large consignments have been received from outside parties and from houses at which properties in the Tonopah district are being operated. The report of H. A. Johnson, superintendent for the week ending shipped, 150.
